

Community COMPOST

HOW TO USE

STEP 1 Check your **WASTE** is **WHAT CAN GO IN THE COMPOST**.

STEP 2 Make sure your **WASTE** is in small pieces (**chopped, crushed, ripped up, shredded**) to help it break down.

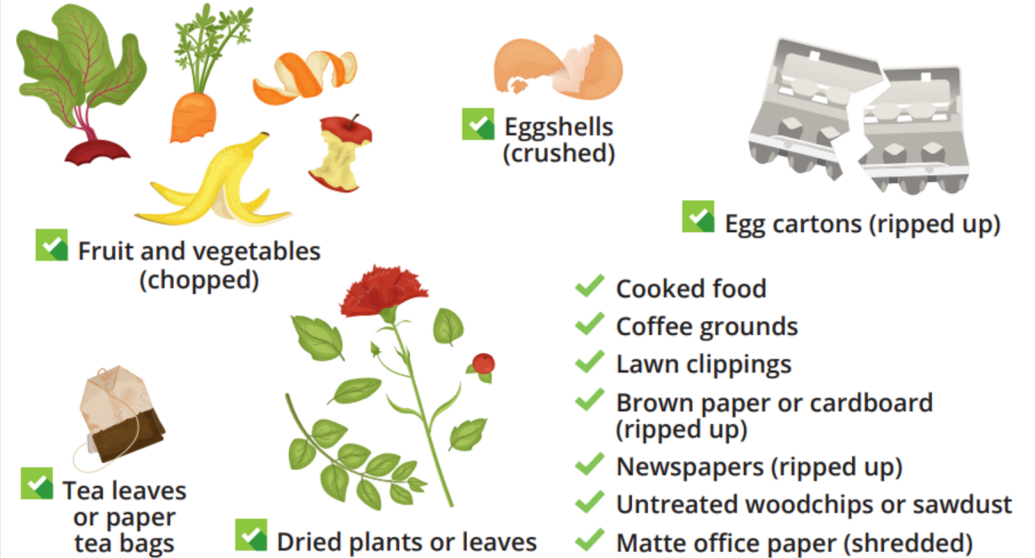

STEP 3 Place your **WASTE** in where it says **COMPOST HERE**.

STEP 4 **OPTIONAL**

Add a scoop of Browns from the Browns Storage Bin (sources of carbon like straw, wood chips, dry leaves) to help the **WASTE** break down better.

STEP 5 Close the **COMPOST** lid.
